

WORK SESSION

Thursday December 16th – 9:00 AM
Veterans Memorial Museum
100 SW Veterans Way, Chehalis, WA

- | | |
|--|--------------|
| 1. Upstream Storage Phase 2B Report | 9:00 |
| EES Consulting will present findings from their report on the cost/benefit analysis of the proposed upstream storage facilities and take questions from the Flood Authority. | |
| 2. Break | 10:00 |
| 3. Open Discussion | 10:05 |
| Members of the Flood Authority have requested an open discussion in which they can raise their issues relating to the formation of a basin-wide flood entity. The discussion will be facilitated by Bruce Mackey and Pam Bissonnette. See attached memo including the opening question for the discussion. | |
| 4. Adjourn | 12:00 |
